

COVID-19 is nothing to take lightly.  
Anxieties are high and people are still very worried.  
Both lives and livelihoods are at risk around the world,  
and extra caution is therefore required.  
Because we work with many international artists,  
we are canceling ALL projects for 2020  
to ensure the safety of our artists,  
students and everyone involved in our programs.  
We are working on updating our website  
to offer virtual programs but this may take some time.  
Meanwhile, we would like to thank everyone for the support.  
You can still follow our daily posts on Instagram or Facebook.  
Stay safe!!
